

METERS FOR USE BY RESIDENCES ON WELLS WITHIN CITY OF TIFFIN

Neptune T-10 meter with remote read (remote read on outside of home or building)

5/8" to 3/4"

Available through Jeff at Mohawk Supply (may have to order)

Must be installed by licensed plumber

Meter Installation Form is on line at <downloads/Meter%20Application.pdf>, plumber should complete and return to Superintendent, WWTP, P.O. Box 369, Tiffin, OH 44883-0368 (or fax to WWTP from 8 am to 2 pm at 448-5441). Indicate whether meter reads gallons or cubic feet.

Plumbers who have taken training for this meter: Bishop, Buchman, Heck, Tiffin Deluxe, Tong's.

These are listed in alphabetical order only, we do not endorse one over the other. Questions? E-mail at watertreatment@tiffinohio.org

Thanks,

Dan McElhatten, Superintendent

Wastewater Treatment Plant
